

K5 Series

K5

Table base with 5 spokes.
 Base in die-cast aluminium available in powder coated or chromed finishing.
 Column Ø 80 mm in powder coated or chromed steel tube (for indoor use); in powder coated aluminium tube (for outdoor use).
 Fixing plate in die cast aluminium
 Available version for tempered float glass tops Ø 120, Ø 140 and elliptic 105x140 with glued stainless steel plate Ø 20.
 Height adjustable feet.
 Round, square rectangular and oval tops of different dimensions can be used with these bases to obtain both small tables and larger tables.
 "K" table system has passed UNI resistance tests for the base strength, table drop and leg sideways impact, then has passed stability tests with some dimensions tabletops.
