

ZÜCO CONTE BASIC
Simple to
sit properly.

Automatic bodyweight adjustment with fine-tuning for the counterpressure – so you're sure to sit properly. Wonderful wellbeing thanks to our innovative knitted fabric with different hardness zones, and an optional lumbar support. Unmistakable looks and individual adaptability thanks to a variety of cover choices. Optional 4F multifunction armrests with an ample support area to ensure pleasant relief for the shoulders.

Design

Roland Zünd

Specification

- Revolving office chair, medium-high backrest, with and without armrests, fully upholstered

Area of use

- Revolving chair for all office areas

Mechanism

- Mechanism with automatic body weight adjustment
- Individual fine adjustment of counterpressure in back
- 5-stage opening angle limiter
- Automatic seat tilting, switchable (optional)

Seat height adjustment

- Continuously adjustable from 40-52 cm with safety height-lift and end position spring system for comfort

Function

- anatomically moulded seat and back cushion
- Individual body weight adjustment

Base cross

- Five-pointed star base in plastic, glass fibre reinforced (PA6) for standard version, black
- Five-pointed star base in diecast aluminium, polished or powder-coated (optional)
- hard castors for soft floor coverings, braked
- soft castors for hard floors (optional)
