

# Lilium

Designed by Bartoli Studio

The supports of Lilium recall a flower stem, thanks to pressure die-cast aluminium, providing harmonious and coherent shapes. The load-bearing glass top is available in different dimensions. In fact, the table legs are directly attached to the top.

## Leg finish:

Aluminium with white lacquer

Aluminium with anthracite grey lacquer

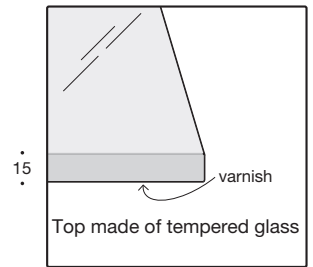

Aluminium with black lacquer

Aluminium with aluminium lacquer

## Finish of top:

Gloss glass in colours: extra white, anthracite grey, black, titanium

Matt glass in colours: extra white, anthracite grey, black, titanium

 Tables have a top that slightly bends, which complies with accepted quality standards.
