Humla Shelf

The Humla series is inspired by the timeless quality of the iconic Tray Tables by Hans Bolling. A maximum of functionality with the minimum possible material is achieved by stripping them down to bare essentials. The simple geometry and unpretentious purity will ensure that the design is immune to ageing.

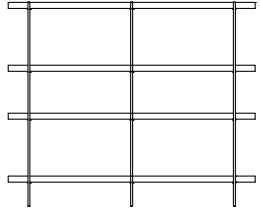

Designer:
Morten Georgsen

Materials:
Solid oak edges, MDF+oak veneer shelf panels,
powder-coated steel legs.

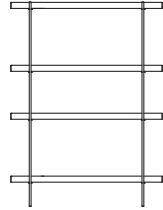

Stockists:
See our website for stockists details.
