

Condeco Desk Booking Kiosk.

Make finding and booking desks simple.

Condeco Desk Booking Kiosk is a user-friendly touch screen unit that makes booking a workstation simple and effortless.

The touch screen can be put in lobby areas on a stand or wall mounted, creating an attractive and cost effective booking solution. It connects to Condeco Desk Booking Software, providing a seamless desk booking solution for a more efficient and flexible work environment.

Boost your productivity

The Kiosk is perfect for your flexible workforce and will help to boost both employee and business productivity.

Increase office collaboration

Encourage your staff to be more collaborative by enabling them to book a desk at any location and with any team or colleague.

Improve your real estate efficiency

Condeco Kiosk gives you the tools to operate a more sustainable and effective workplace that generates significant efficiency savings.

Embrace flexible working

Work more flexibly by having one central userfriendly touch screen where staff can book their own desks, find colleagues and check-in anytime.

Floorplan-based workspace reservation on a touch screen.

Condeco Kiosk with Condeco Desk Booking Software gives you the tools to operate a more collaborative and flexible workplace, as well as generate efficiency improvements.

With Condeco Desk Booking Kiosk you can create and streamline flexible working, improve employee and business productivity, increase workplace collaboration as well as space utilization, and create a seamless user experience.

Key Features.

Easy log-in via RFID card

Quickly log in by swiping your RFID staff card on the built-in card reader.

Same day booking

Easily find and book desks for the same day from a floor plan showing availability and usage.

Find a colleague

Easy to use desk search function that lets your staff search for colleagues on the same day.

Manage bookings

See all your bookings for days ahead on the kiosk, check the location, or delete bookings that are no longer required.
