Neo Task Chair

Ergonomics and design

The Neo task chair combines both.

The contoured backrest design of the Neo Task chair provides a very comfortable and ergonomic sitting experience and works in harmony with the moulded foam seat cushion.

With an adjustable lumbar, and seat depth adjustment as standard, Neo suits 95% of body types straight out of the box.

FEATURES

Italian multi function mechanism with 5 locking positions and 50mm seat slider.

4D adjustable arms as standard.

Moulded seat foam

Black Nylon base with gas lift adjustment.

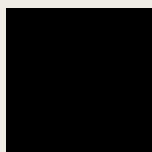

Adjustable lumbar support
