ABOUT INNERSPACE

We want to increase people's happiness and improve their health and wellbeing in the workplace.

We add value to businesses and organisations by removing the barriers to innovation, allowing people to collaborate, share ideas, feel good and focus on being productive.

Working one-on-one with our customers and partners, there is a tailor-made nature to the recommendations we make to help create a successful workspace, specifically suited to meet each of their unique needs.

We explore options and offer advice on product suitability, producing a perfect mix of creative and functional qualities. Not only do our products convey a unique design and sophistication but we also customise them to ensure they are entirely compatible with the environment they are delivered into.

Duo Executive by 31 Degrees

DuO Executive is the perfect height adjustable executive desk for offices and study areas.

Created in Australia with a vision to produce authentic and long lasting furniture solutions, 31 Degrees emphasises original design combined with ethically and sustainably sourced materials.

Completing the desking family, 31 Degrees have created DuO Executive, the upmarket cousin of the DuO workstation.

With curves in the right places, the DuO Executive showcases a unique design and clever joinery solution for a stand alone desking suite. This architectural height adjustable system allows flexibility and ergonomic benefits at the press of a button.

It's all in the details

DuO features

Storage:

- Attractive, unique desking joinery solution.
- Supports cable management – hidden but accessible. DuO Executive incorporates hidden cable ducts throughout the credenza unit and cable clips along the underside of the worksurface.
- A unique and tidy solution carries power/data from the credenza to the worksurface, retaining the clean look whilst supporting services to the work surface.
- Quick grip seat cushion with capsule and circular design options.
- Integrated personal storage with personal drawer, lateral filing, and a personal locker – perfect for a small printer or for plenty of paperwork. Lockable options also available.
- Also available in open plan version.
- Worksurface provided with Elsafe 'Peak' table box incorporating 240V GPO, USB 2.0, and USB C for easy charging.

- A sophisticated-looking modesty panel.
- Credenza provided with 4 GPO outlets.
- Levelling feet throughout all units.

Height-adjustable frames:

- Smooth, quiet and fast synchronised legs.
- 100kg weight capacity per leg rating (for straight desk 1800mm x 750mm).
- Height range 675mm to 1200mm with other height ranges available upon request.
- Also available in a fixed height option.
- Push button electric height control with UP/DOWN or with a digital readout with memory buttons.
- Anti-collision technology.

Dimensions:

- Worktop: 30mm thick worktop with shark nose edge detail, 2100mm (L) x 900/1000mm (D).
- Credenza: 2100mm (L) x 550mm W x 550mm (H).
