## Causeway Modular Sofa

Causeway is a modular sofa designed with the user's complete expressive freedom in mind. Its modules can be combined as desired, while the weighted backrests are placed on top of them without any limitations. This allows compositions with an extremely fresh and contemporary feel.

The base seating modules are cut in dynamic, geometric shapes echoing the unique rock formations of The Giant's Causeway on the northern coast of Ireland, a source of inspiration for the design concept.

# Toly

Upholstery is fully removable to allow cleaning or replacement.
