

NATADORA

Solace chair

Designed by Patryk Koca

No-arm

No-arm

Full-arm

Full-arm

Full-arm

Half-arm

Half-arm

Half-arm

Provides adequate elbow support without impeding access in tighter seating situations

Half-arm

Arms can be perched on top of table, allowing chair to be suspended for easier cleaning of the floor.

Wood profile

A concealed slot in the underside of the wood profile becomes a handy grip, allowing easy movement of the chair.
