

# LA ZITTA

Silent  
minimalist

Alexander Gufler (IT)

EN

The La Zitta (Italian for quiet) chair can bring the silence of the woods below Hostyn hill into any interior. It was deliberately designed to be minimalist, so it doesn't disturb the space, but ensures that the overall impression remains exactly as needed. The slight bends in the beechwood are only noticeable in the La Zitta's legs, and it has a precision-crafted backrest that contributes to an extremely comfortable seating experience.
