

Xaloc Chaiselongue 90

by Hector Serrano

Ese viento tan nuestro, del Mediterráneo. Armónico. Cambiante. Ubicuo. Fresco. Capaz de erosionar y esculpir suaves líneas, como la fundición del aluminio. Dócil. Orgánico. Moldeable. La variedad de tejidos, colores y piezas nos permite llevar la elegancia y calidez de los espacios interiores, al exterior. Xaloc cuenta con estructuras de aluminio y uniones de alta calidad fabricadas por fundición a presión.

That Mediterranean wind, so uniquely ours. Harmonious. Changing. Pervasive. Fresh. Able to erode and sculpt smooth lines, like forging aluminium. Docile. Organic. Malleable. The variety of fabrics, colours and pieces allows us to take the elegance and warmth of indoor spaces outside. Xaloc has aluminium structures and high quality die-cast joints.
