Salt

Salt is the best mobile light of all time. Use Salt by the bed, on the table, in the bathroom, on the balcony, or as a sculptural Light on the windowsill. Wherever you are, Salt spreads a feeling of well-being.

With 150 hours of Battery life and 450 lumens, Salt is the most powerful and smartest mobile light. The entire lamp head serves as an intuitive touch dimmer. Change the Light color via the small magic button on the rubberized base of the lamp. Salt is splash-proof and withstands light rain showers.

Thanks to Sunset Dimming, its warm Light has a proven calming effect on body and mind. Very smart and gently, its glow accompanies you to sleep with a 30-minute timer.

Salt offers a range of clever features:

- Smart LED battery indicator
- Up to 150 hours of Battery life

Designed and manufactured at the GRAU Campus in Germany.

Salt is charged with a USB-C PD 9V / 12V □ 2A 25W power supply. The power supply is sold separately.
