

GRAU

Team Home

Team Home is the best home office luminaire. Its powerful Beam Lens illuminates your workplace brightly, glare-free and evenly. The indirect light creates a pleasant sense of space, making it easier to work from home for long periods of time.

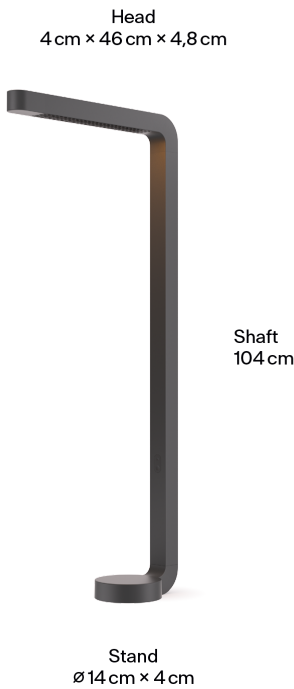

Dim the light in brightness and color using the switch on the luminaire. With 4000 lumens, Team Home has 4 times as much light as conventional desk lamps.

Designed and manufactured at the GRAU Campus in Germany.
