

GRAU

Team Suspension

Team Suspension is the powerful pendant luminaire. With 10,000 lumens, it brightly illuminates meeting rooms, kitchen counters and dining tables.

The light is directed onto the table and indirectly into the room. Team Suspension offers a range of clever functions:

- Beam Lens
- Height adjustment
- GRAU app
- Color Tune

Height adjustment installed at an angle in the room creates dynamic planning options.

Winner of numerous design awards.

Designed and manufactured at the GRAU Campus in Germany.
