

Design Services

Your curated furniture package for new builds or home renovations starts here.

At Innerspace, we're here to help you choose the perfect furniture to bring your new interior living spaces to life.

Complimentary Package

A one-hour design consultation in our showroom.

Together, we'll review your floor plans and establish your furniture requirements. Explore our curated collection of in-house fabrics and finishes, and experience our products first hand.

Comprehensive Home Service Package

Prefer a more tailored experience?

This premium package includes:

One in-home visit

A one-hour showroom consultation

Personalised floor plan presentation with furniture selection and placement

Selection of fabrics and finishes

Cost \$500 (credited back to you for orders placed over \$5,000)

To make an appointment, just book online or call your nearest showroom to meet with your local Residential Consultant.
