## ABOUT

Disegnate da Federica Biasi, le appliques e le lampade a sospensione Thula sono fondate su un elemento centrale semplice e architettonico con funzione illuminante a cui si aggiunge, in un sapiente gioco di addizione e sottrazione, una componente organica in legno o in pelle trapuntata. La fonte luminosa consiste in un LED lineare dimmerabile; nella versione base a parete può essere orientata, dando quindi luce diretta o indiretta.

Designed by Federica Biasi, the Thula appliques and suspension lamps are based on a simple and architectural central element with an illuminating function to which an organic component in wood or quilted leather is added in a skillful game of addition and subtraction. Consists of a linear dimmable LED; in the simple wall version it can be oriented, thus giving direct or indirect light.
