Struttura in metallo verniciato a polveri epossidiche con basetta per fissaggio a muro e due bracci orientabili. Cono realizzato in alluminio verniciato a polveri epossidiche, finitura cromo nero o ottone spazzolato. Luce orientabile di 270°. Diffusore in metacrilato. Disponibile versione con cavo e spina.

Metal structure painted with epoxy powders with base for wall mounting and two adjustable arms. Cone made of aluminum painted with epoxy powders, black chrome or brushed brass finish. 270 ° adjustable light. Methacrylate diffuser. Version with cable and plug available.

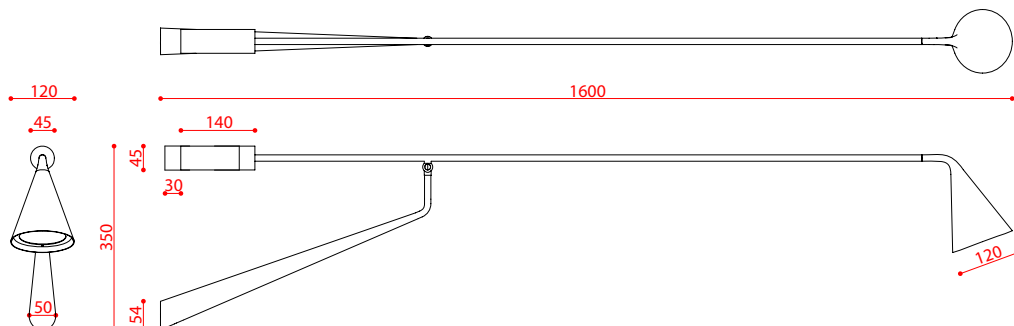

ABOUT

Una nuova interpretazione formale e materica del diffusore conico è la caratteristica principale delle lampade GORDON. Dall'aspetto essenziale e raffinato ma dal carattere forte conferitogli dalla forma della fusione in ottone, queste lampade pratiche e versatili si prestano ad essere usate in diversi ambienti, da quello domestico a quello lavorativo come negli spazi commerciali e 'hospitality'.

A new formal and material interpretation of the conical diffuser is the main feature of GORDON lamps.

The essential and refined aspect with a strong character that is conferred by the shape of the brass casting; these practical and versatile lamps are suitable to be used in different environments, from the domestic to the working one as in the commercial spaces and 'hospitality'.
