## FINISHES

### Structure and Upholstery

Interior structure in MDF and steel. Fabric or leather/eco-leather.\*  
Expanded polyurethane foam in different densities. Internal frame of tensioned wood. For the production of this sofa Viccarbe is using wood from certified sustainable forestry sources.

Bicolor upholstery

One-color upholstery

\*PLEASE NOTE! This collection offers two-tone upholstery, allowing you to choose a fabric or leather/eco-leather for the seat, front backrest and armrest, and a different fabric or leather/eco-leather for the back backrest and armrest. The price will correspond to the higher category. If two fabrics are selected, they must both belong to the same collection.

Check upholstery samples *for Indoor*.

## LEGS OPTION

Aluminium legs available in different finishes:

Polished aluminium

High gloss black

High gloss white

## ACCESSORIES & ELECTRIFICATIONS

**Connector.** Joining system available for sofa, lounge chair, bench, and side table. Finished in black. Each set includes two units.

**Under seat powerbox.** Powerbox available with 2 sockets or combined with built-in multimedia devices.

**Built-in SCHUKO/USB powerbox.** Built-in Schuko socket powerbox for device charging. The powerbox features a Wieland connector. The power connection cable is not included and must be provided by the customer.

## ADDITIONAL INFO.

As this is a configurable collection, some compositions may feature additional elements beyond the sofa, such as the table, bench and lounge chair. To view the dimensions and finishes of each piece individually, click below to access the technical information for each product.

## CERTIFICATES

ANSI/BIFMA X6.4:2021 and UNE-EN 16139:2025
