seat powerbox

FINISHES

Backrest options

Frame of calibrated steel base powder coated in thermoreinforced polyester in shadow. Interior structure in steel, solid wood and plywood. Woven seat and back structure. Polyester fibre covering. Expanded polyuretane foam in different densities. Fabric or leather.

High backrest

Medium backrest

Upholstery options

Smooth upholstery. Great durability and adaptability to diverse environments. Sistema, with its smooth upholstery, is a perfect choice for commercial spaces, offices, or airports. High traffic areas where privacy and dynamism sometimes become a sine qua non.

Soft upholstery. A meeting point between rationalism and warmth. Soft Sistema emerges as an evolution of the Sistema sofa, presenting a more comfortable interior, as well as a more wrinkled effect in its upholstery, one that is therefore more welcoming.

NOTE 1: There is no possible to combine smooth upholstery modules and soft upholstery modules.

NOTE 2: The sofas with legs must be composed with a minimum of two modules.

LEGS OPTIONS

Scissors legs. Calibrated steel tube powder coated with tempered polyester, in the finishes from our collection.

Cylinder legs. Calibrated steel tube powder coated with tempered polyester, in the finishes from our collection.

Flute legs. Wooden solid oak legs, with carvings on the sides, stained in the finishes from our collection.

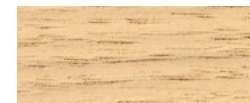

Upholstered scissors legs. Calibrated steel tube powder coated with tempered polyester, upholstered with leather or ecoleather.

Upholstered cylinder legs. Calibrated steel tube powder coated with tempered polyester, upholstered with leather or ecoleather.
