

NAGI by Tomoya Tabuchi 2015

Elegant armchair born to be a classic.

The studied dimensions and the subtle steel structure (available in two versions, fix or rocking), make NAGI a new icon in the VICCARBE collection.

Very comfortable thanks to its generously high back that supports the user's head and elegant arms that are perfect to rest on while reading or working.

TOMOYA TABUCHI

Tomoya Tabuchi, born in 1974, graduated in living design at Kuwasawa Design School in 1997.

After working at Japanese furniture firm on the planning, designing original products, developing products designed by overseas designers, he became independent in 2010.

In 2011, Tee table was debuted from INTERIORS(Japanese firm www.interiors-inc.jp) as his first design after independence.

His activity includes designed products, graphic design and art direction.
